About Us

FRANKLIN COUNTY COALITION FOR PROGRESS

Franklin County Coalition for Progress (FCCP) is a 501(c)3 non-profit organization. Our mission is to advance social justice and equality for all Franklin County residents. We care about building a community where everyone is accepted and welcomed; a community where differences are valued and seen as strengths and opportunities.

We coordinate a variety of programs in pursuit of this mission, including Pride Franklin County (PFC). PFC strives to increase the visibility of our LGBTQ+ neighbors while celebrating diversity and acceptance in our communities. In addition to the annual Pride Franklin County Festival, Pride coordinates the Franklin County Welcoming Project, shares online LGBTQ+ resources, & hosts other events – including a monthly Pride Mixer, as well as an annual Mum Sale, Family Picnic, Sounds of Pride, and Rainbow Sale.

A HUGE THANK YOU
to all of our **Pride Volunteers!**

This day is only possible thanks to YOU!

Celebrating uniqueness and embracing similarities.

You want quality care that's culturally affirming. We're dedicated to delivering nothing less wherever you see the WellSpan name. It begins every day with accepting, respecting and embracing uniqueness – among our team members and our patients.

Because we know our greatest strength is a thriving and diverse workforce – and one that is well positioned to care for our wonderfully diverse communities.
